Subject: Time For A Change

The manner I ^{will} have been at Stony Brook
for 20 years. For all but three of those
years ^{while I was Provost,} I have had the honor and
pleasure of being Dean and Director of
MSAC. It's now time to see if I
can make a living in the "real world."

~~It~~ I will be leaving MSAC, Stony
Brook and Long Island on ~~Monday~~
30 October 1992. ~~It~~ It became
effective only today. I'll explain in
~~person~~ ^{person} when I return for a
trip to Michigan.

I ~~will~~ ^{shall} miss all of you.
Thanks for a great 20 years.
